Keys to Success for Cactus
General Transport

1) Innovation

“The great successful companies of the world have used their imagination... they think ahead and create their business picture in all its details, filling in here, adding a little there, altering this a bit and that a bit, but steadily building - steadily building.”

Robert Collier

2) Vision

“The great thing in the world is not so much where we stand, as in what direction we are moving.”

Oliver Wendall Holmes

3) Determination

“The greatest glory in living lies not in never falling, but in rising every time we fall.”

Nelson Mandela

“The harder the conflict, the more glorious the triumph.”

Mission Statement

To be the leading transportation company in the UAE that provides heavy equipment needs to its clients. We will achieve this by focusing on client service, quality of work, timely delivery of equipment, and by holding the highest morals and ethics within our industry.

Vision

To be the preferred and most trusted heavy equipment Rental Company in the transportation industry of the UAE.

Core Values

Client Satisfaction

At the heart of our business model is client satisfaction. This is the single most important aspect for us to honour. Our clients deserve the best and most comprehensive client service available. We are focused to become the most reliable organization for our clients. Their satisfaction is the foundation for our growth and reputation.

Quality of work

We are determined to make sure that our operators are competent about their work and that our machinery is in good operating condition. With these two factors being achieved the quality of our work will be unmatched. There is much emphasis that is put on training and maintenance.

Health, Safety and Environment

Human life, the safety of individuals & the protection of the environment are our main responsibilities. Loss of any kind is unacceptable. All precautions and necessary measurements will be taken to ensure the safety and health in the work we do and of the individuals that are involved.

Code of Ethics

At Cactus General Transport we set for ourselves the highest ethical standards in the industry. When representing Cactus General Transport, our aim is to comply with the following standards:

- ✓ To act with honesty and integrity
- ✓ To comply with the laws and regulations of the UAE
- ✓ To treat others as we would like to be treated ourselves
- ✓ To be honest and truthful in all of our dealings
- ✓ To be accountable for our mistakes and take the necessary actions to correct any wrong doings

Company History

Cactus General Transport was launched in 2010. Building on the success of his previous companies Mr. Hasan Raza Ilyas has started his own transport business. With cutting edge technology and excellent client driven policies Cactus General Transport is leading the way when it comes to providing quality heavy equipment rental. There is a great need for a organization that will listen to its clients and provide them with the services that they demand, without leaving them empty in their pockets. Cactus General Transport has a simple philosophy; we provide great services at a reasonable price. Our business will be built on managing our relationship with our clients thru service and competitive pricing.

Company Activities

Cactus General Transport provides heavy equipment needs to our valued clients. We have all types of equipment that is related to construction. Some of the examples of our equipment are cranes, forklifts, bobcat, Pickups, flat trailers and etc. We have access to all equipment related to heavy machinery. Our clients can have the peace of mind of knowing that they can rely on one company for all their needs. We also have set the highest standards of client satisfaction. Our aim is to establish long lasting relationships that are not only beneficial to us but are of mutual beneficial to our clients.
